Complete laboratory examinations, X-Ray and ultrasound examinations, Mammography, Bone Density Test, 3D/4D ultrasound examinations, CT and MRI examinations.

- **Complementary therapies, other diagnostic examinations, treatments**

Physiotherapy, IV infusion therapy, Rhinolight light therapy treatment for allergies, out-patient surgery, ABPM, Arteriography, heart monitoring, stress ECG, Gastroscopy, Colonoscopy, Cystoscopy.

- **Complete Screening Examination**

After the first year, the one yearly complete screening examination is free.

- **Family Practice Physician**

For our Partners with Hungarian health insurance (TAJ) for documenting sick leave, when required and indicated by physical examination.

- **Emergency Care and Hotline Service**

24-hour home care available through our contract partner, the FŐNIX-MED Zrt. ambulance service. Non-emergency cases will be transported to the designated health care facility in the Budapest area. Emergency service is available through a special Hotline manned by the Buda Health Center between the hours of 8 a.m. and 8 p.m. and by the FŐNIX-MED Zrt. ambulance service between the hours of 8 p.m. and 8 a.m. and weekends.

- **Hospitalization**

For non-emergency cases, we will arrange hospitalization in a quality health care institution. When patients require hospitalization following emergency treatment, we will provide in-patient care in a quality hospital setting.

- **Prevention**

- ◇ **Consultation** - prevention, diet, life style and fitness
- ◇ **Vaccination against influenza** - vaccine included.
- ◇ **Travel - advice and immunizations** - vaccines not included.
- ◇ **Physical examination** - for Driver's License application (TAJ card needed).

- **Complete Occupational Health Care**

The Hungarian Ministry of Health Statute No. 27/1995 (7/25) states that an employer must provide occupational health care for its employees and 33/1998 (6/24) requires a medical examination to determine work suitability.

- **Personal representative, extra care**

- ◇ Personal physician will monitor our exclusive partner's health condition.
- ◇ May be reached for information and appointments between the hours of 8 a.m. and 8 p.m., Monday to Friday.

---
